**LOVE WHERE YOU LIVE MURAL BROAD STREET SPARTANBURG**  
**LIVE MUSIC | SILENT AUCTION | FOOD TRUCKS**

**The 7th Annual Hub City Brewfest is back October 21st in Downtown Spartanburg!**

This year's celebration will take place in our original location on Broad Street by the Love Where You Live Mural. There will be live music, food trucks, activities and more. Coalition for Active Youth assists in the creation of public outdoor recreational spaces for the youth in our community. Your past involvement with the Hub City Brew Fest and Drafts at Drayton helped create the Vic Bailey Bike Park and rebuild the skate bowl at Hot Spot Skatepark. This year we are grateful to partner with the Spartanburg Brew Club to put on Hub City Brew Fest. The proceeds will help fund a multi-use concrete bowl which will accommodate a greater community of young athletes including BMXers, big bowl riders, and advanced inliners and scooters. We are grateful for your support of our projects!
